## LOOK AT THIS:

### To No One in Particular....

To no one in particular  
Do you ever wonder  
about thing?

To no one in particular  
Do you wonder  
What it's like in your future?

To no one in particular  
Do you ever just think  
Who am I?

To no one in particular  
Do you ever notice  
The tiny things?

To no one in particular  
Do you ever wonder  
about wondering?

To no one in particular  
Do you ever wonder  
with other?

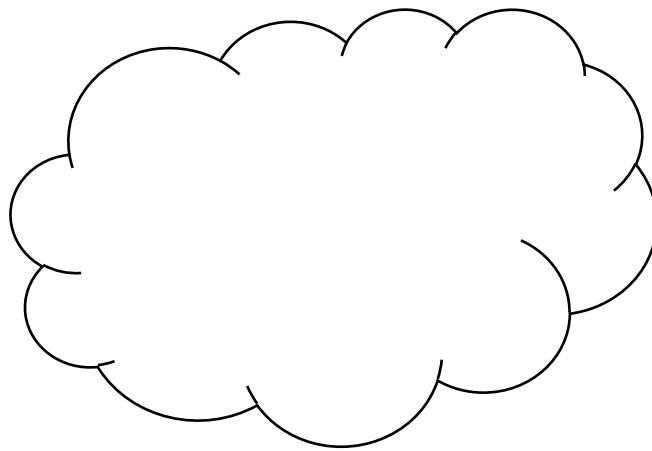

To no one in particular  
what do you wonder  
about?

I guess  
This is actually to  
Someone in particular.

**CONSIDER THIS...** *Did you know wonder is both a verb and a noun?*

Wonder (verb)- means to be fixated or fascinated with or by something (usually a person, place or thing) or to be curious about something.

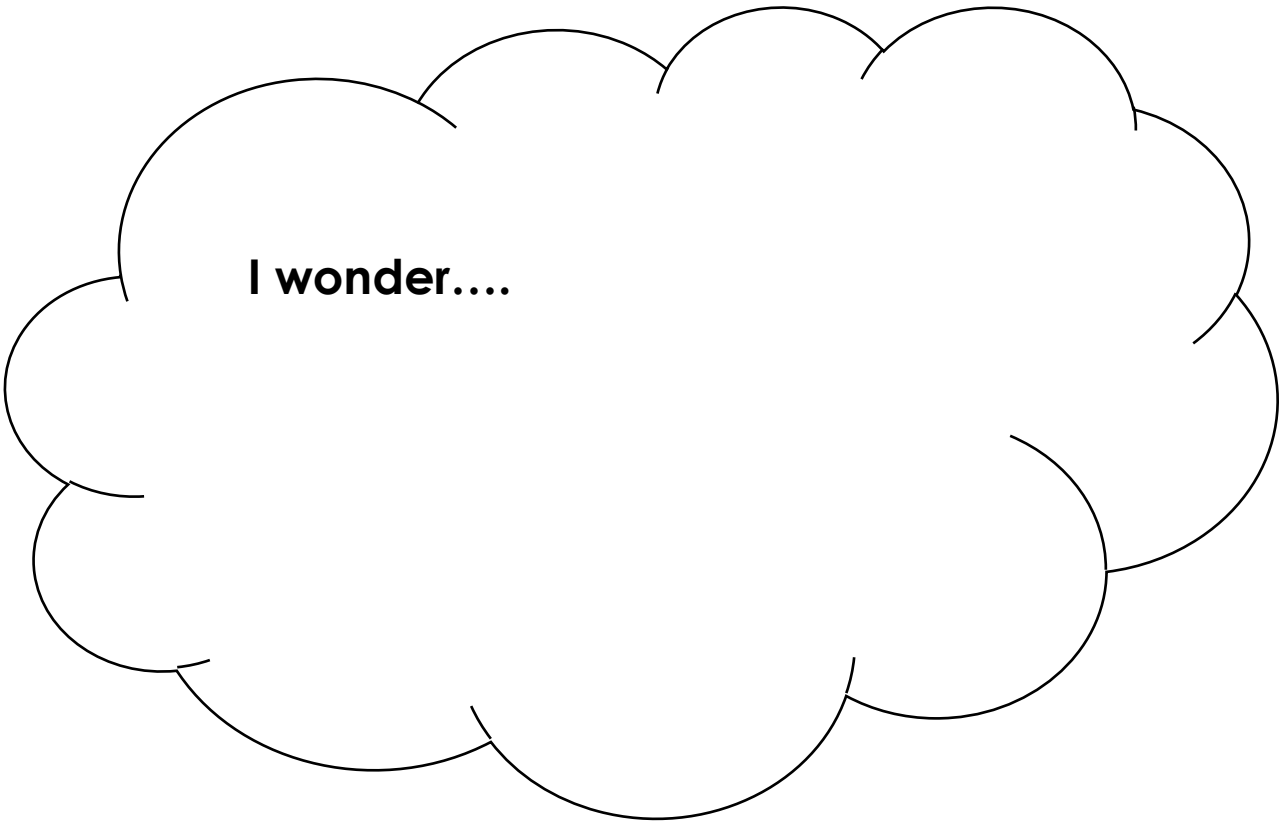

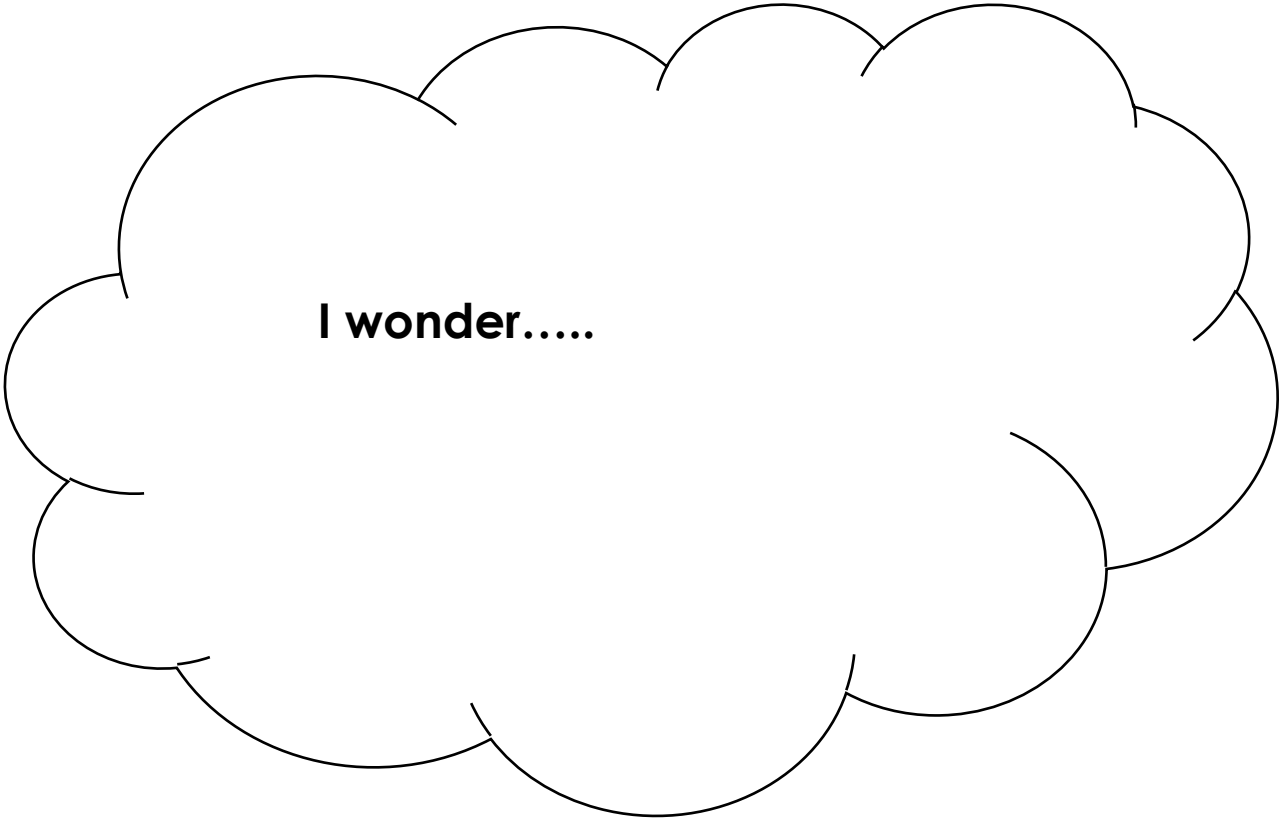

Wonder (noun)- a feeling of surprise mingled with admiration, caused by something beautiful, unexpected, unfamiliar, or inexplicable.

**FINALLY.....**Think back to the questions you created and the ideas, thoughts, or words that stood out to you today. See if you can create 4 I wonder statement.

ex. I wonder what the world would be like if no one had name?

Write your I wonder statements in the clouds below:
